EXPLORE, MASTER, DELIVER.

Being able to adapt to change while continuously enhancing skills, and staying positive along the way, are key leadership strengths.

This transformative MasterClass is designed to help you navigate challenges by mastering self-influence and shaping how you engage with others. Led by Duangporn Leelalumert (Tracy), a seasoned business trainer and top sales professional, fluent in English and Thai, she channels her experience into creating transformation and specializes in change management, high-performing team development, management and leadership.

Learning Outcomes

- **Personal Transformation:** Develop a mindset that embraces change, enhances resilience, and fuels personal growth.
- **Influence Others:** Learn simple yet powerful ways to influence and inspire stakeholders effectively.
- **Sustained Impact:** Apply what you learn to lead to stronger relationships, better collaboration, and tangible business results.
