

Pernod Ricard

In a world characterized by rapid changes and unpredictable market dynamics, effective leadership is essential to not only navigate through challenges but also to thrive.

Patrick Castanier, Managing Director of Pernod Ricard Thailand, will share insights on transformational leadership and its profound impact on organizational agility and team engagement in Asia. Drawing from examples in his own journey from Commercial to Managing Director roles in diverse markets, to becoming a Professional Transformation Coach, Patrick exemplifies what it means to be committed to building a legacy of knowledge and inspiration.

Join us for this engaging session followed by a networking cocktail to connect with likeminded leaders across industries.

Learning Outcomes

- **Cultivate Organizational Agility:** Embrace the core principles of transformational leadership.
- **Enhance Team Engagement:** Collaborate to empower and inspire during time of change.
- **Foster Change Management:** Apply a structured framework
